Ho naga dhigay? Kitaabka Quduuska ah, Erayga Eebbe, wala ka warramayaa sida uu aadanaha in bilaabmay. Waa hore, Ilaah baa ninkan in horreeya sameeyey oo u bixiyey Aadan. Ilaah wuxuu Aadan ka abuuray ciidda dhulka.

Markuu Eebbe nolosha ku afuufay Aadan, wuu noolaaday. Wala

helay beer
qurux badan oo
la yiraahdo
Ceeden.

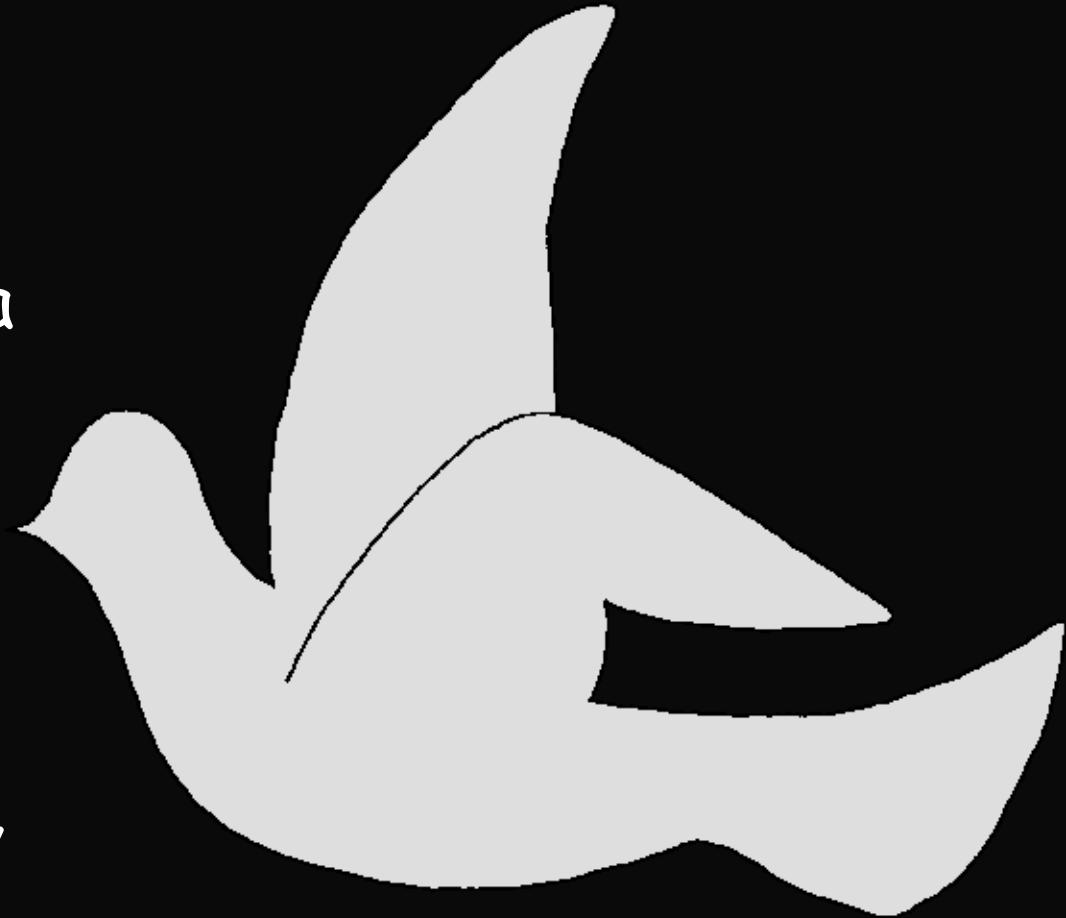

Kahor intaan Ilaah Aadan abuurin, wala sameeyey adduun qurux badan oo ay ka buuxaan waxyaalo yaab leh. Tallaabo tallaabo ayuu Eebbe u sameeyey meelo buuro ah iyo meelo bannaan, oo ubaxyo udgoon iyo geedo dhaadheer, shimbiro dhalaalaya oo dhalaalaya iyo shinnida qaylisa, nibiriga badda oo

rogrogmada iyo

duufaannada
sibiibix ku socda. Xaqiiqdii, Ilaah ayaa
sameeyey wax kasta
oo jira - wax walba.

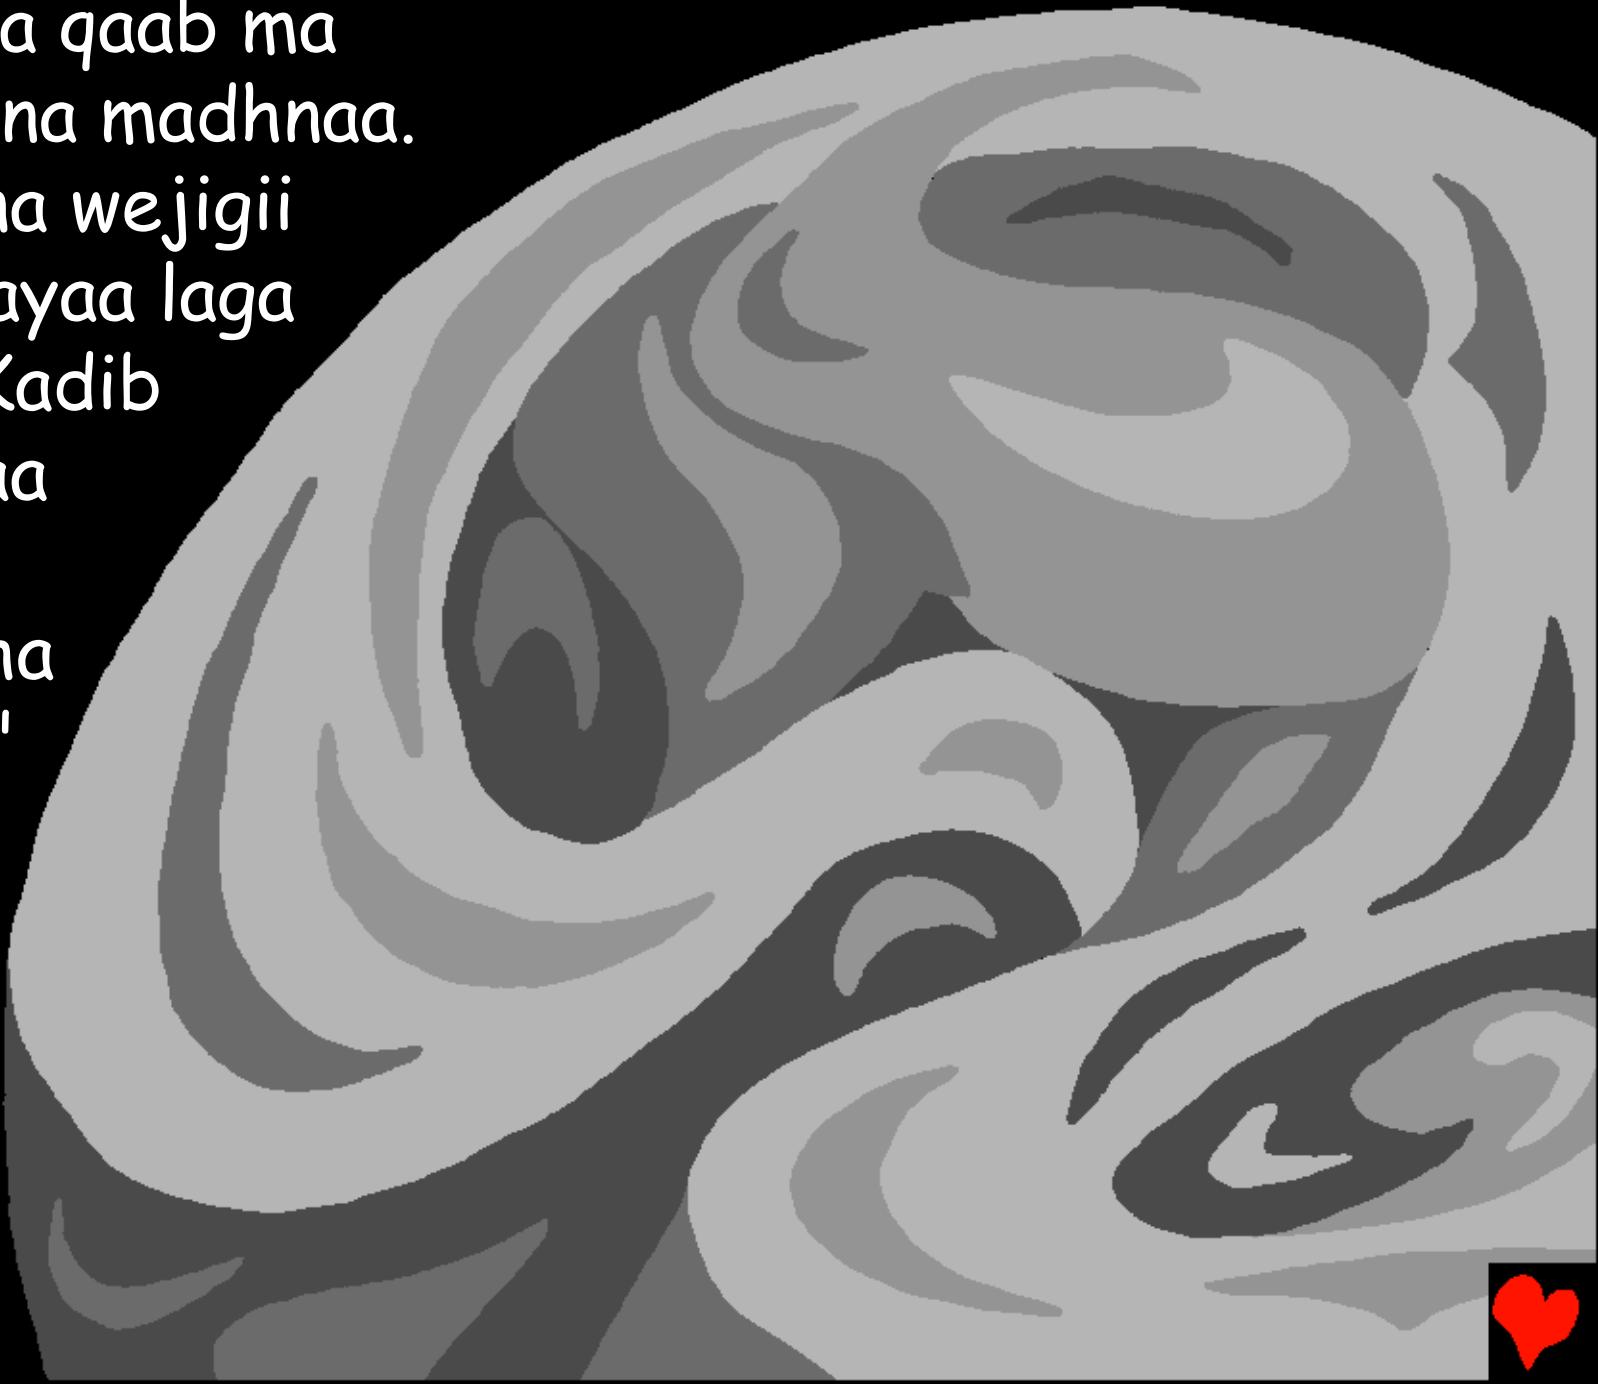

Bilowgiiba, intaan
Eebbe waxba samayn,
waxba mooyaane wax
aan Ilaah ahayn ma
jirin. Ma jiro dad ama
meelo ama waxyaabo.
Waxba. Iftiin iyo
mugdi la'aan. Maya
kor iyo hoos toona.
Maya shaleyta iyo
bari maya. Wala jiray
oo keliya Ilaah aan
lahayn bilow. Kadibna
ilaahay ayaa wax
qabadi!

Bilowshi, Eebbe wala abuuray
samooyinka iyo dhulka.

Dhulkuna qaab ma
leh, wuuna madhnaa.
Gudcurna wejigii
moolka ayaa laga
helay. Kadib
Ilaah baa
hadlay.
"Iftiin ha
ahaado."

Oo iftiin baa jiray. Ilaahna iftiinka wala u bixiyey Maalin, gudcurkiina wuxuu u bixiyey Habeen. Wuxaan jiray fiid iyo subax, maalintii ugu horraysay.

Hiraabti labaad, Ilaah wala biyihii badda,
badaha iyo harooyinka kala hagaajiyey Cirka
hoostiisa. Hiraabti saddexaad, Ilaah wala yidhi,
"Dhul engegan ha soo muuqdo." Wayna dhacday.

Ilaah wala kaloo amray cawska iyo ubaxyada iyo
jiqda iyo geedaha inay ha muuqdaan.

Hana muuqdeen. Wala jiray
fiid iyo subax, herabti
saddexaad.

Dabadeed Ilaah wala sameeyey
qorraxda, iyo dayaxa, iyo
xiddigo badan oo aan ninna tirin
karin. Wala jiray fiid iyo subax,
maalintii afraad.

Xayawaanka badda ku jira
iyo kalluunka iyo shimbiraha
ayaa ki xigayn liiska Ilaah.
Hiraabti shanaad Wala
sameeyay kalluun weyn oo
seef-qaad ah iyo sardiyo
yar yar, gorayo-lugo
dhaadheer iyo shimbiro yar
yar oo farhsan. Ilaah wala
in sameeyey nooc kasta oo
kalluun ah inay ka buuxsamaan
biyaha dhulka iyo haadda nooc
kasta oo ka mid ah inay ki
raaxaystaan dhulka iyo badda iyo cirkaba.
Waxaana jiray fiid iyo subax, hiraabti shanaad.

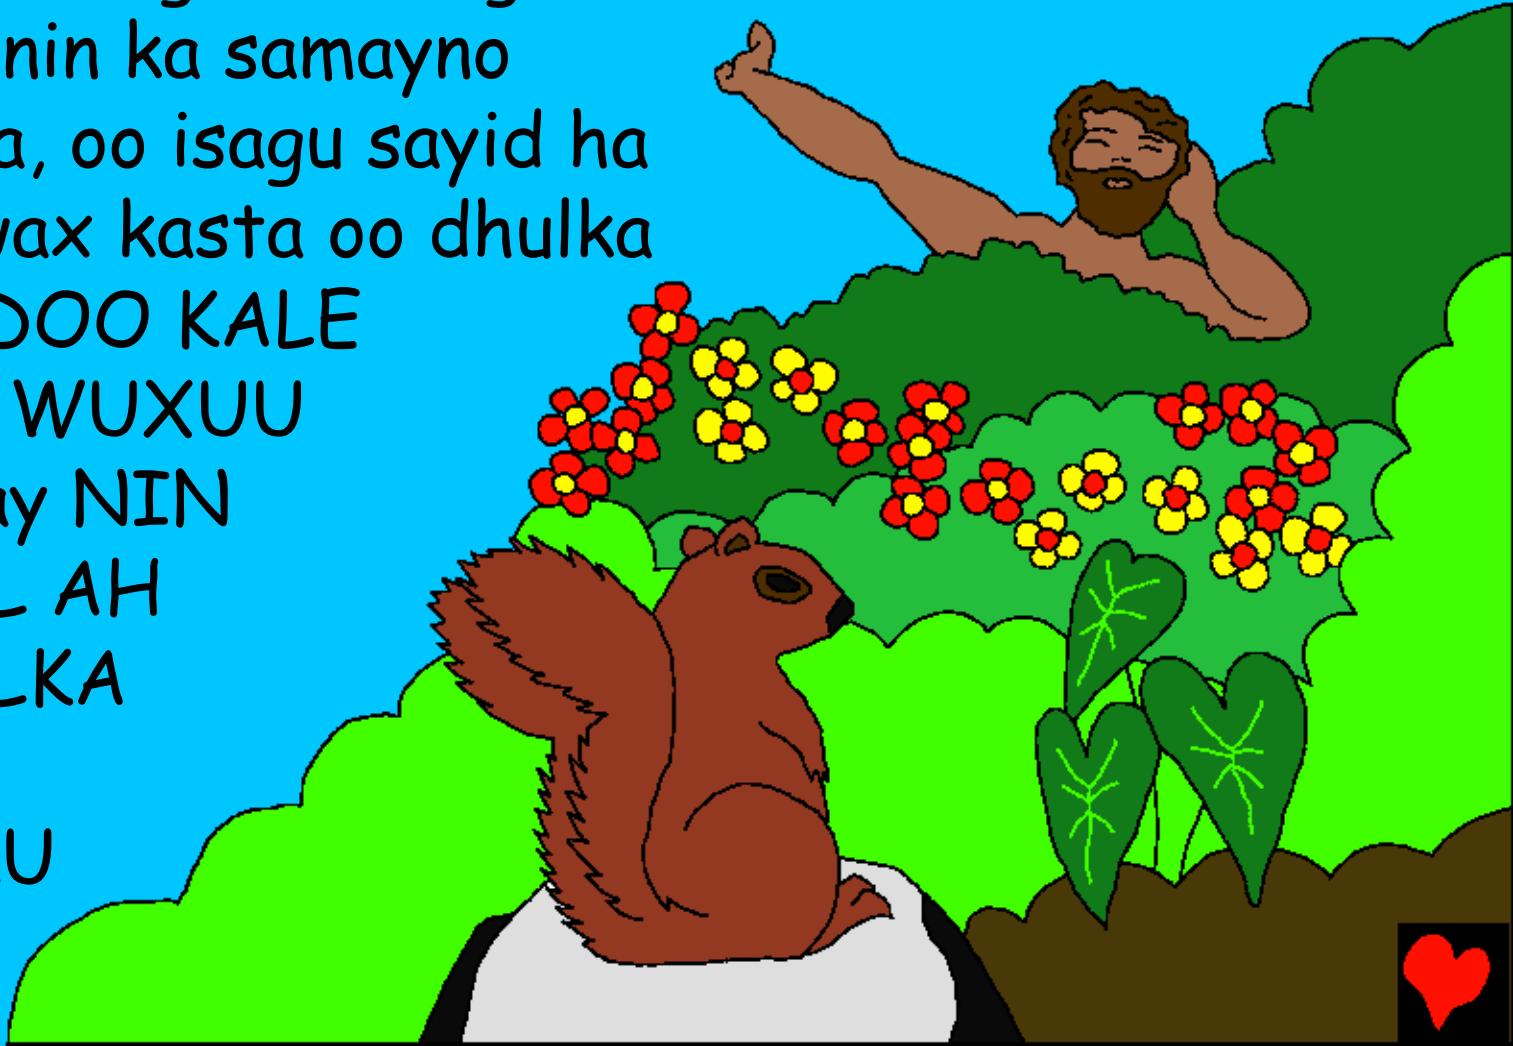

Intaa ka dib, Ilaah ayaa haddana hadlay. Wala yidhi, "Dhulku ha soo bixiyo noole nool ..." Nooc kasta oo xayawaan iyo cayayaan iyo xamaarato ah ayaa abuurmay. Waxaa jiray maroodiyaal dhulka ruxaya iyo kuwa wax xiira oo mashquul badan. Daanyeero xunxun iyo yaxaasyo cakiran. Gooryaanka Wiggly iyo chipmunks jilicsan. Giraangirayaal budhcad ah iyo budhcad badeed Nooc kasta oo xayawaan ah ayaa Eebbe abuuray maalintaas.

Waxaana jiray fiid iyo subax, maalintii lixaad.

Ilaah wala sameeyey wax kale hiraabti
lixaad - wax aad u gaar ah. Wax walba hadda diyaar
ayey u ahaayeen Man. Cunno baa taal berrinka iyo
xayawaanka isaga u adeega. Ilaahna wuxuu
yidhi, Aan nin ka samayno
araggeenna, oo isagu sayid ha
u ahaado wax kasta oo dhulka
jooga. SIDOO KALE
ILAAHAY WUXUU
KU Abuuray NIN
MUUQQAAL AH
MUUQQAALKA
ILAAHAY
WUXUU KU
Abuuray ...

Ilaah baa Aadan la hadlay. "Cun waxa aad rabto ee ka yimaada beerta. Laakiin ha cunin geedka aqoonta wanaagga iyo xumaanta. Haddii aad wax ka cuntid geedkaas hubaal waad dhiman doontaa."

Oo Rabbiga Ilaah ahu wuxuu yidhi, "Ma wanaagsana in nin keligiis ahaado; waxaan u samayn doonaa mid caawiya." Ilaah wuxuu u keenay shimbiraha oo dhan iyo dugaag kasta Aadan. Aadan dhammaantood wuu magacaabay.

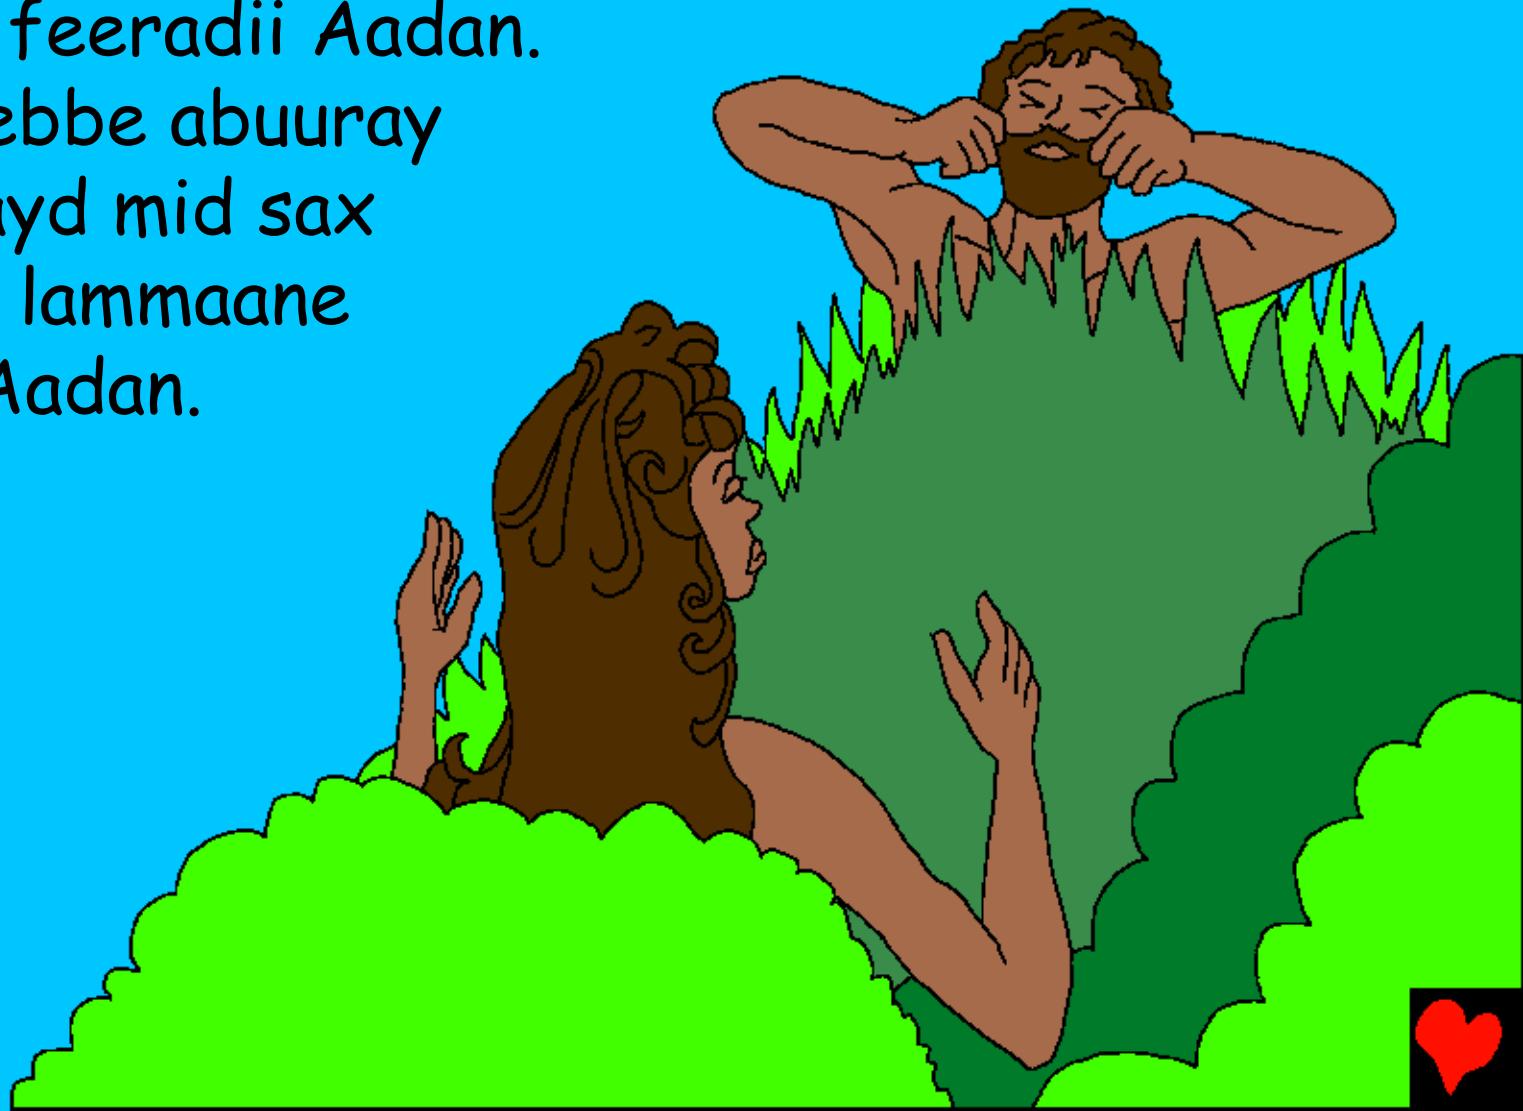

Waa inuu xariif ku ahaa inuu sidaa sameeyo. Laakiin haadda iyo dugaagga oo dhan ma jirin lammaane ku habboon

Adam.

Ilaah wuxuu Aadan geliyey hurdo aad u dheer oo qoto dheer. Kii ka saaray mid ka mid ah feeraha ninka hurda, Ilaah wuxuu naag ka sameeyay feeradii Aadan.

Naagtii Eebbe abuuray waxay ahayd mid sax ku ah inay lammaane u ahaato Aadan.

Ilaah wax walba wuxuu ku sameeyay
lix maalmood gudahood. Markaasuu
Ilaah barakeeyey maalintii toddobaad,
oo ka dhigay maalin nasasho. Beer
Ceeden dhexdeeda, Aadan iyo Xaawa
xaaskiisii waxay ku heleen farxad
dhammaystiran addeecidda

Ilaah. Ilaah wuxuu ahaa

Sayidkooda,

Aruurkooda iyo Saaxiibkood.

Markuu Eebbe Wax Walba Sameeyey
